Business

Leaving Certificate Business creates an awareness of the importance of business activity and develops a positive and ethical attitude towards enterprise. The learning experiences in business develop students' critical thinking, creative and organisational skills while enhancing literacy and numeracy skills using real-life examples. Business provides students with a learning foundation for a wide range of careers in business, marketing, law, enterprise and management.

This syllabus is for students in the senior cycle of post-primary education and is assessed at Ordinary and Higher levels.

At Ordinary level, candidates will be required to:

- recall and demonstrate a knowledge and understanding of the syllabus content.

In addition, Higher level candidates will be required to:

- demonstrate a greater depth of knowledge and understanding of the concepts and issues than Ordinary level candidates, as well as a greater proficiency in applications and analysis;
- apply the business terms, concepts and theories to address problems and issues;
- select, organise, interpret and use information supplied; evaluate evidence, make reasoned judgements and present conclusions accurately and appropriately.
