## History

In 2<sup>nd</sup> and 3<sup>rd</sup> Year History, students will learn about a number of areas of interest including the causes and consequences of the Age of Explorations, the Reformation, World War 1 & 2 as well as 20<sup>th</sup> Century Irish History.

Students will explore how these topics have influenced the world they live in today using a wide variety of skills.

There is a particular focus on the student as historian, working with evidence in order to come to their own conclusions. A variety of methodologies are used to engage students including ICT, role plays, dramas, group and project work.

History will be assessed in a 2 ½ hour paper at Higher level and a 1 ½ hour paper at Ordinary Level.
