Families with two or more students availing of the bus will be eligible for a 10% discount on the second student and each student thereafter. Please note that it is not possible to offer a reduced rate to those who only wish to avail of certain days or mornings/evenings. We are happy to continue with FCD Coaches as they provided excellent service last year.

Only those students whose names have been provided by the school to the bus company may avail of the service. Students must arrive at the pick-up point before the bus as it cannot wait and cause a traffic obstruction. Parents/Guardians are kindly requested not to block residents' access when dropping off or collecting their daughter.

The school name will be visible from the front of the bus. For the first few days, the students are asked to check the pick-up times with the driver as these may vary until the route is established.

Yours sincerely
