### **SCHOOL UNIFORM**

Given that the public image of the school is communicated through the student's use of uniform, parents/guardians must undertake to buy the correct uniform and ensure that their daughter wears it and has it properly laundered at all times. Please refer to the section in the Code of Behaviour for Students regarding the school uniform and appearance.

Parents/guardians are asked to ensure that their daughter fully adheres to all uniform regulations, as specified in the uniform list overleaf.

- In the case of an infringement of the uniform code (including footwear) parents/guardians are requested to provide an explanatory note in the school journal that can be viewed by teachers on the day of the infringement and not at a later stage.
- Requests for footwear uniform exemptions on medical grounds must be accompanied by a letter from the relevant health professional.
- Students are not permitted to borrow items of clothing from other students without the owner's consent.
- Students found with clothing or uniforms that do not belong to them and who cannot provide a satisfactory explanation may face disciplinary action under the School's Code of Behaviour.
- When found, items of clothing belonging to others must be immediately handed into Reception.
- The School Authorities reserve the right to determine whether –
  - (a) students are wearing the correct school uniform.
  - (b) students are properly wearing the school uniform.
